Miss Constance D. Argosino and John Howe were quietly married at St. Joseph's Church Monday morning by the Rev. J. A. Lacouture. They were attended by Miss Josephine Russo and Alfred Perrotti.

James Burden of Portland, Me., was in city court Saturday and pleaded guilty to being intoxicated. He will serve 10 days in jail. William H. Lavigne pleaded guilty to a similar offense and paid a fine of \$5 and costs of \$4.65.

Mrs. J. S. Patrick has returned from Tallahassee, N. Y., where she has been receiving treatment at a sanatorium. Her health is not greatly improved and she will return there soon. Mrs. R. S. Morse and son of Worcester, Mass., are guests of Mr. and Mrs. Patrick.

The two harvest began in earnest Friday, all of the available teams being pressed into service. The Standard Coal and Ice company and Lawrence Bartley are cutting a short distance north of the brookwater and the Consumers' Ice company outside the south end.

E. B. Parker has been ordered to Depot Harbor, where he will have charge of the United States customs office. This place is four miles above the Sound and at this point the transfer is made from coast to boat. Mr. Parker is to be congratulated on this promotion.

During the past two weeks there have been many cases of measles about the city, adults and children being equally affected. There are no cases of typhoid in the city and at present there is only one case of diphtheria. There have been only three cases of diphtheria during the entire winter.

Charles Fleury was arraigned in city court Monday and pleaded guilty to being intoxicated. He was sentenced to serve 20 days in jail. Upon discharge, Fleury stated that he procured his jail on split purchased in Middlebury. John Duffy pleaded guilty to a first offense and was fined \$5 and costs, which he paid.

John J. Murphy, who has been employed for the past year as book-keeper in the Chittenden County Trust company, will leave Saturday for Rutland to accept a position as assistant treasurer of the Marble Savings bank, of which Ivan MacFarland, L. V. M. '07, is treasurer. Mr. Murphy's successor here has not yet been chosen.

Mrs. Ellen Graham died on Saturday at her home in South Burlington on the Shelburne road. She had been ill only a short while with heart trouble. She was 73 years of age and a native of Ireland. She is survived by a daughter, Mrs. John Collins, who resided with her, and a son, John Henry of this city. The funeral was held Tuesday morning at 9:30 o'clock from St. Mary's Cathedral, with interment in St. Joseph's cemetery.

In federal court Thursday, District Attorney Alexander Dunnett moved that the staying order be vacated in the cases of the government vs. Lee Wong Kial, You Wai, Lee Aw Quon, Lee Sing You and You Moy, the five Chinamen arrested here last fall by immigration officers. The order was made by Judge H. O. Rogers when he vacated the Chinamen would be turned over to the immigration officers and probably deported.

Dr. G. E. Latour, clerk of the board of school commissioners, has completed the annual school census. The total number of children of school age in the city is 5,094, an increase of 213 over last year. Of this total, 1,171 are between the ages of 5 and 8; 2,021 between the ages of 9 and 12; and 1,902 between the ages of 13 and 18. The total number of girls between the ages of 5 and 8 is 2,051; the total number of boys between the same ages being 2,043.

At a meeting of the State executive committee of Modern Woodmen of America it was decided to hold the annual log rolling, which will be held last summer, in Rutland this year. On June 26 reports were also read of the celebration held here last summer. The receipts were \$104.70. As the total receipts were \$70.75, a balance was left in the hands of the treasurer of \$14.00. The receipts were principally from the sale of badges and the gate money at the field day sports.

The annual regatta race of the Champlain Ice Yacht club was held Thursday afternoon over a triangular course of nine miles in a gale of wind. The wind blew so hard that the boats had to sail under double reefs, making the time exceptionally slow. There were four entries. The Excelsior, W. B. Craven; the Gull, H. G. Cabot; the Gloriana, H. J. Francher; the P. O. E. Miller. At the very start of the race the mast of the P. O. E. was blown out and the Excelsior took off three shoe bolts, leaving only the Gloriana and Squall in the race. The Gloriana finished first, covering the course in 21 minutes, and the Squall finished a minute behind.

All of the Catholic organizations in the city have appointed committees to prepare arrangements for the annual St. Patrick's day celebration, which occurs on March 17. The Catholic club of the city is preparing to participate and make arrangements. The usual parade will be held on that day and high mass will be celebrated at 10 o'clock.

The Mission

Of those corpuses in your blood that have been called "Little Soldiers," is to fight for you against the disease germs that constantly threaten your health. These "Little Soldiers" are made healthy and strong by the use of Wood's Sarsaparilla.

This medicine is a combination of more than 20 different remedial agents in proportions and by a process known only to ourselves and it has for thirty years been constantly proving its worth. No substitute, none "just-as-good."

will meet after March 1 to make final arrangements for the celebration.

Richard Curtis, claiming to have hailed from New York, was in city court yesterday and pleaded guilty to being a tramp. He was sentenced to serve 20 days in jail. Napoleon Marcotte of Montreal pleaded guilty to a first offense of intoxication and was fined \$5 and costs of \$4.65. Oliver Latour, commonly called "Bean," and Joseph Barrett were arrested by the police yesterday, charged with intoxication. Latour was given a hearing was convicted and fined \$5 and costs. He appeared to county court. Barrett will be given a hearing to-day.

John P. King, aged 57, died early yesterday morning at the home of his daughter, Mrs. A. N. St. Clair, at 75 Peru street, after a long illness with dropsy. He is survived by two sons, in addition to his daughter. They are John R. King of North Hudson, N. Y., and Judd King of Haverhill, Mass. Mr. King was born in Canada but moved to New York State when young. He came to this city five years ago from Port Henry, N. Y. The funeral will be held at seven o'clock Friday morning from St. Joseph's Church. The body will then be taken to Port Henry for interment.

Collector of Customs Charles H. Darling Friday received from Washington confirmation of appointments recently made by him. The appointments being made by reason of the death of Frank C. Clarke, late deputy collector and clerk at the local customs house. Harry W. Smith, formerly stationed at Albion, succeeded Mr. Darling. Mr. Smith, while George M. Hines of St. Albans takes the post formerly held by Mr. Smith. John R. Caldwell of Starksboro is appointed to the vacancy occasioned by Mr. Hines's promotion.

At the annual meeting of the board of directors of the Champlain Transportation company, held in New York recently, officers were elected for the ensuing year as follows: President, L. P. Loree; first vice-president, C. S. Sizer; second vice-president, W. H. Williams; general manager, D. A. Loomis; controller, W. H. Davies. The reports of the year were read and showed the season closed to have been smaller than usual in the regular business but the extension building at New York has been made. There have been made in the officers of the board as yet and it is expected that they will be offered as last year.

Work will be begun immediately at the Van Ness house on the erection of a sun parlor, to be built on the roof. The parlor will be 40 by 50 feet, the four sides and top being of plate glass. The top will be what is termed the hip roof. The lattices will be finished in green and white and the furnishings will be of willow. There will also be palms and other summer verdure, after the fashion of sun parlors at the winter resorts. It is expected that the parlor will be opened to the public on May 1 and it will probably be closed on October 1. One of the finest views in the State can be had from the roof of the Van Ness House and it is for this reason that the parlor is being built. One can see down the lake for a great distance, the Blue Point Hotel being plainly visible on a clear day. The view, perhaps, is more appreciated by the visitors from other States, who delight in watching the lake sunsets.

HUMAN WORK FOR FEBRUARY.

In the course of February the humane officers visited forty different stables, and some improvements tending to the comfort of the animals were made at the suggestion. Three horses were disposed of, also six dogs and sixteen cats. Four horses were taken from work, three of them so weak they could not stand, one with a bad sore on neck. Two of these were to receive proper curative treatment. Visits were made to Essex Junction and Essex, Colchester twice, South Burlington (twice) Malletts Bay and Shelburne Falls. On a farm near Colchester station the entire stock was found in a pitiable condition. The horses were very thin, one with a large sore on his back, one calf had to be lifted to get it to its feet, four of the cows could not stand. No grain was found on the premises, and such hay as was fit only for bedding. Although there was water on one side of the farm, the cattle were expected to drink the filthy puddles in the barn yard. Photographs were taken of the worst cases, and the matter was referred to the State's attorney for action. It is expected that many similar cases will be reported before March is ended.

The officers of the Humane Society are considering a proposition to observe "Flag day" during the Champlain tercentennial.

The receipt three days since of \$22.75 from friends in Essex Junction and Williston has stirred our gratitude. And we really wish that humane people in other nearby towns would make a note of it. Our field is the county.

STREET CAR EXTENSION.

Line May Go Down South Winoski Avenue to Main Street.

Elmwood Avenue Eliminated—St. N. Isham Chose Park Commissioner and A. L. Harrows Assessor—Last Meetings of Aldermen and Council.

The last meeting of the board of aldermen and the city council under the present administration were held last evening. The aldermen amended the resolution to authorize the Burlington Traction company to run its line down Elmwood avenue to connect with the present line at the corner of Church and Pearl streets and to complete the extension to Main street.

Mayor Bicklow's recommendation of the appointment of E. S. Isham as park commissioner to fill out the unexpired term of the late C. L. Soule was confirmed by the aldermen. Mr. Soule's term expired in 1911.

EXTENSION OF TRACTION LINES.

The committee, consisting of the board of street commissioners, the city attorney and Aldermen Clarke and O'Neil, to whom the petition from the traction company was referred, submitted a minority report was signed by Street Commissioner O. E. Lavigne. The report recommended that the petition be not granted in so far as the Elmwood avenue extension was concerned.

The majority report favored the granting of the petition as to both extensions unless objection should be made by a majority of the property holders situated on the streets to be extended. Dr. P. E. McKewney, Col. C. D. Gates, Dr. J. W. Courtney and C. B. Pitt appeared and spoke against the Elmwood avenue extension, the arguments being that it would block a street which was an outlet and had for a great deal of traffic. They presented a petition signed by a large number of Elmwood avenue residents and property holders. The aldermen said they did not know that the matter was to be closed as soon.

Dr. Clarke, in behalf of those who submitted the majority report, said the committee had no objection to the extension, knowing that objection had been raised. President Russell took the floor and spoke briefly on the benefits of extended trolley service to the city as a whole. He said he was not in favor of shutting up the Elmwood avenue residents a proposition to which they objected and he moved that the resolution be amended by striking out all reference to Elmwood avenue and Pearl street from Elmwood avenue to Church street. The amendment was adopted and the amended resolution was unanimously adopted.

OTHER LEGISLATION.

The petition of residents of wards five and six for a fire station in ward six was laid on the table. An ordinance providing that only tax payers be employed in the various city departments was referred to a committee consisting of Aldermen O'Neil, Drew and Dion. Resolution was adopted authorizing the fire commissioners to purchase an expensive wagon at a cost not to exceed \$500 and authorizing the city treasurer to make a temporary loan of \$20,000.

Before adjournment, President Russell, who has retired this year, thanked his fellow members of the board for their uniform courtesy towards him.

On the first ballot for inspector of buildings, Richard A. Spear received six votes, while on the second ballot Mr. Lapoint was elected, receiving seven votes. Of the other candidates, Mr. Walker received two votes and Mr. Spear none. Frank E. Pardner was unanimously elected deputy building inspector.

Mayor Bicklow, in conclusion, expressed the wish to his colleagues that those who remained would continue their good work and that those who retired with himself would enjoy a prosperous peace.

NEW SANATORIUM CHIEF.

Dr. Klotz in Charge at Pittsford Has Had Wide Experience.

Dr. Walter C. Klotz, who has succeeded Dr. Henry H. Chubbuck as superintendent of the new sanatorium at Pittsford, has had wide experience.

ing gone to Westfield, Mass., where he has a similar position, has had a wide experience in the medical profession, having studied both in this country and abroad. He was born in New York city 35 years ago, and graduated from Colgate University and later received the degree of M. D. from the College of Physicians and Surgeons of Columbia University. In 1888 he was appointed house physician and surgeon of the city hospital, Blackwell's island, serving until 1890, when he went abroad and studied a year. While on the other side he studied principally in the laboratory of the famous pathologist, the late Carl Weigert, at Frankfurt-on-the-Main. After extensive traveling, during which he visited the hospitals of Hamburg, Frankfurt, Nuremberg, Zurich and Paris, he returned to New York city and practiced there for six years. During this period he was connected with Cornell University medical school and the Roosevelt hospital. He further pursued his pathological studies at the Presbyterian hospital under Dr. Thatcher.

Implementation of health, brought about by extensive demands of practice and extensive clinical work, sent him to Saranac Lake, N. Y., where he lived for a year, studying the tuberculosis problems as they had been worked out by Dr. Trudeau, Dr. Ladd and their associates and later applying these lessons practically in the sanatorium at Lake Umbagog in the Adirondacks.

Both of his grandfathers were physicians, his maternal grandfather, Dr. P. P. Schneider, who is still living, being one of the 18th century revolutionists associated with the late Carl Schurz. His father, Dr. H. G. Klotz, now practicing in New York, is an authority on skin diseases.

In 1901 Dr. Klotz was married to Gertrude C. Whitehouse, daughter of the late George M. Whitehouse of the old banking firm of Whitehouse & Co., New York city. They have three children, two boys and a girl.

A READY ROOFING THAT NEEDS NO PAINTING.

Farmers all over the country are beginning to wake up to the fact that it is no longer necessary to use ready roofings that require constant painting to keep them tight. The new style of ready roofings with a mineral surface, of which Amattite Roofing is the best known, are becoming more popular and have proven a great success.

The mineral surface of Amattite needs no painting or coating whatever, and after the roofing is laid, there is no further expense for trouble.

A number of Amattite can be secured by addressing the nearest office of the Rural Manufacturing Company, New York, Chicago, Cleveland, Pittsburgh, Boston, Philadelphia, Minneapolis, St. Louis, Kansas City, New Orleans and Cincinnati.
